Dear Steve,

CERTIFICATE OF SUITABILITY OF ELECTRICAL EQUIPMENT

With respect to your recent application for electrical product certification please find enclosed the issued Certificate.

Please take the time to check the certificate and ensure all details are correct in accordance with your requirements.

As the certified electrical product is non-declared, marking of the certificate number on such products is optional although preferred. It is advisable to clearly and indelibly mark such products with the regulatory compliance mark (RCM) in accordance with its conditions of use set out in AS/NZS 4417.1.

Please note that if the electrical product is modified in any way you are required to notify us of the detail(s) of the modification(s) and not offer the product for sale until the modified product is certified. In this regard, please complete and submit form EPCS-F01 detailing the changes to us.

Should you have any queries please contact SGS-CSTC Standards Technical Services Co., Ltd. (Guangzhou) or us.

Yours sincerely,

per Business Manager / EPCS
