

SAVIOR

Shenzhen Eigday Heating Limited

Company Profile

Shenzhen Eigday Heating Limited, established in February 2010, a professional manufacturer and trading combo in all kinds of intelligent heating, cooling, and LED outdoor sports products and its accessories.

*Two Factories: 1500m² Electronic factory and 2000m² Sewing factory.

(1) Electronic factory mainly produce electronic parts including the switch buttons, heating elements, battery packs and chargers.

(2) Sewing factory, with an independent pattern rooms and a standard sewing workshop, mainly develop and sew all kinds of heated gloves and intelligent wearable sports products.

*One Office(1000m²) in Shenzhen.

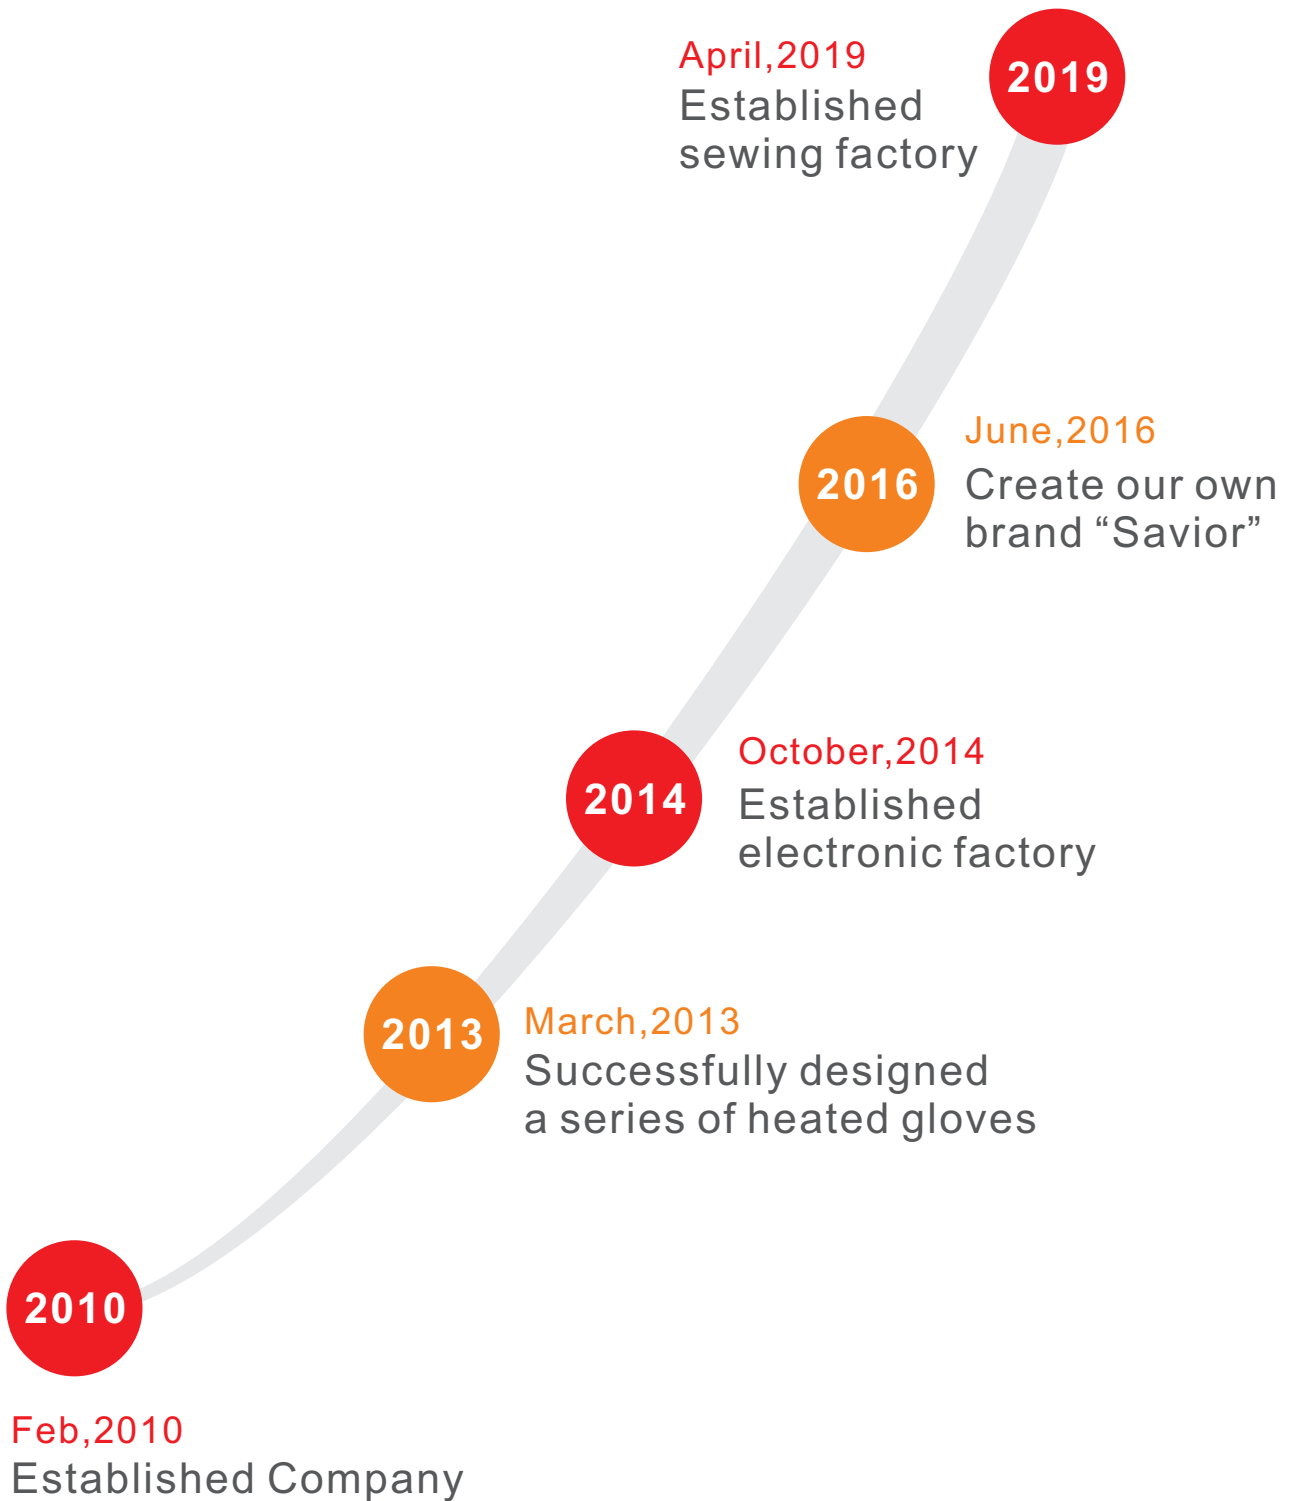

*Our own brands: SAVIOR, DAY WOLF

*Certificate:

(1)Factories : SGS ;ISO9001

(2)Products and accessories : UL, FCC, CE, ROHS, REACH

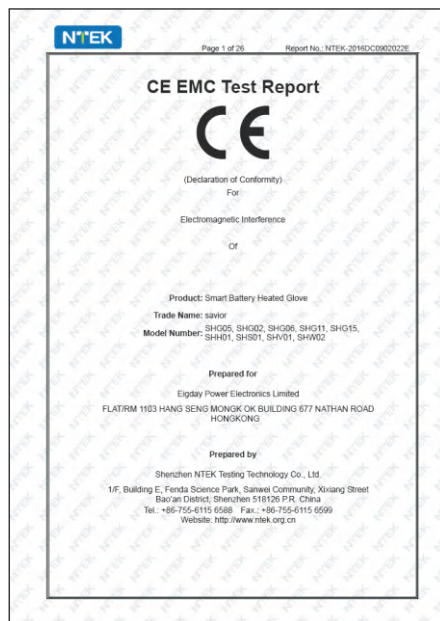

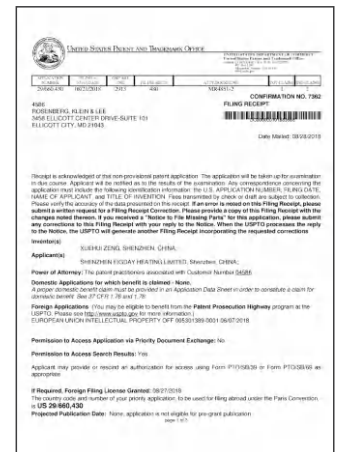

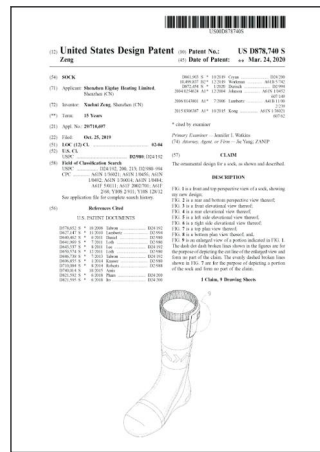

Company History

Company Vision

Be a leader in intelligent heating wearable industry by 2023.
By 2025 become the leader in heating, cooling and LED outdoor sports industry.

Certification and Patent

Winter products catalog

1.Heated Gloves

(1).Skiing Gloves

- Material: Softshell and goat-skin leather
- Product Content:
 - 1 x Heated Gloves.
 - 2 x 7.4V/2200 mAh Polymer Lithium Rechargeable Batteries.
 - 1 x Dual Battery Charger with US,EU,UK&AU plugged in option.
- Size: XS-XXXL
- Heating elements: 7.4V carbon fiber heating
- Battery pack: 7.4V, 2200MAH
- Charger: 8.4V 1.5A dual charger
- Switch: 3 levels button
- Temperature: 40-65°C
- Heating Time: 2.5-6 hours
- Heating Area: Five fingers ,finger tips and back of hand
- Windproof,waterproof,breathable,wear-resistant
- Fit for: Ski, golf and outdoor sports

(2).Motorcycle Gloves

- Material: Softshell, goat-skin,Knuckle protection
- Product Content:
 - 1 x Heated Gloves.
 - 2 x 7.4V/2200 mAh Polymer Lithium Rechargeable Batteries.
 - 1 x Dual Battery Charger with US,EU,UK&AU plugged in option.
- Size: XS-XXXL
- Heating elements: 7.4V carbon fiber heating
- Battery pack: 7.4V, 2200MAH
- Charger: 8.4V 1.5A dual charger
- Switch: 3 levels button
- Temperature: 40-65°C
- Heating Time: 2.5-6 hours
- Heating Area: Five fingers,finger tips and back of hand
- Knuckle protection, wear-resistant, shock-resistant
- Fit for: Motorcycle, motorbike

(3).Cycling Gloves

- Material: Softshell,microfiber
- Product Content:
 - 1 x Heated Gloves.
 - 2 x 7.4V/2200 mAh Polymer Lithium Rechargeable Batteries.
 - 1 x Dual Battery Charger with US,EU,UK&AU plugged in option.
- Size: XS-XXXL
- Heating elements: 7.4V carbon fiber heating
- Battery pack: 7.4V, 2200MAH
- Charger: 8.4V 1.5A dual charger
- Switch: 3 levels button
- Temperature: 40-65°C
- Heating Time: 2.5-6 hours
- Heating Area: Five fingers,finger tips and back of hand
- Windproof,waterproof,breathable
- Fit for: Cycling, bike and other winter use

(4).Thin Gloves Liner

- Material: Lycra, neoprene
- Product Content:
 - 1 x Heated Gloves.
 - 2 x 7.4V / 2200 mAh Li-ion Batteries.
 - 1 x Dual Battery Charger with US,EU,UK&AU plugged in option.
- Size: M-XXL
- Heating elements: carbon fiber heating
- Battery pack: 7.4 V / 2200MAH
- Charger: 8.4V 1.5A dual charger
- Switch: 3 levels button
- Temperature: 40-60°C
- Heating Time: 2.5-6 hours
- Heating Area: Five fingers, finger tips and back of hand
- Fit for: Winter use

(5).Hunting / Fishing Gloves

- Material: Softshell, leather, fiber and cotton
- Product Content
 - 1 x Heated Gloves.
 - 2 x 7.4V / 2200 mAh Li-ion Batteries.
 - 1 x Dual Battery Charger with US,EU,UK&AU plugged in option.
- Size: M-XXL
- Heating elements: carbon fiber heating
- Battery pack: 7.4 V / 2200MAH
- Charger: 8.4V 1.5A dual charger
- Switch: 3 levels button
- Temperature: 40-65°C
- Heating Time: 2.5-6 hours
- Heating Area: Five fingers, finger tips and back of hand
- Windproof and waterproof, flip the trigger design
- Fit for: Hunting, fishing, outdoor Sport

(6).Horse Riding Gloves

- Material: Leather, microfiber
- Product Content:
 - 1 x Heated Gloves, 2 x 7.4V/2200 mAh Polymer Lithium Rechargeable Batteries.
 - 1 x Dual Battery Charger with US,EU,UK&AU plugged in option.
- Size: XS-XXXL
- Heating elements: 7.4V carbon fiber heating
- Battery pack: 7.4V, 2200MAH
- Charger: 8.4V 1.5A dual charger
- Switch: 3 levels button
- Temperature: 40-65°C
- Heating Time: 2.5-6 hours
- Heating Area: Five fingers, finger tips and back of hand
- Windproof, waterproof, breathable
- Fit for: Horse riding and outdoor sports

SHGS37

(7).Women Gloves

- Material: Softshell and goat-skin
- Product Content:
 - 1 x Heated Gloves.
 - 2 x 7.4V/2200 mAh Polymer Lithium Rechargeable Batteries.
 - 1 x Dual Battery Charger with US,EU,UK&AU plugged in option.
- Size: XS-XXXL
- Heating elements: 7.4V carbon fiber heating
- Battery pack: 7.4V, 2200MAH
- Charger: 8.4V 1.5A dual charger
- Switch: 3 levels button
- Temperature: 40-65°C
- Heating Time: 2.5-6 hours
- Heating Area: Five fingers, finger tips and back of hand
- Windproof,waterproof,scale shape
- Fit for: Outdoor sports for women

2.Heated Socks

(1).5V heated socks

- Material: Cotton and Spandex (Coolmax)
- Products Content: 2 x heated socks,
1 x AC Charger
- Size: Free size (24cm-27cm)
- Temperature: 40-50°C
- Heating area: Forefoot / Toes/ Soles of the feet.
- Lasting Time: Depends on the capacity of client's power bank
- Power supply: 220V AC or mobile power battery(5V 2.0/2.1A)
- Fit for: Warm feet indoors

(2).3.7V heated socks

- Material: 80% Cotton, 17% Polyester, 3% Spandex (Coolmax)
- Size: Free size: 24cm-27cm, unisex
- Battery rechargeable: 3.7V / 3000mAh
- Universally used charger: 100-240V, 50/60Hz
- Heating area: Forefoot / Toes/ Soles of the feet.
- Three heating settings on battery: H /M /L
- Heating Time: 4.5-10 hours
- Temperature: 40-65°C
- Fit for: Warm feet indoors and outdoors

(3).7.4V heated socks with controller

- Material: 80% cotton 12% polyester ,8% Elastane material (Coolmax)
- Products Content: 2 x heated sock,2 x Batteries,1 x AC Charger
- Size: S, M, L , XL
- 7.4V 2200MAH Rechargeable Li-ion Batteries
- 3 Settings Temperature Controller: Red(High), White(Medium),Blue(Low)
- Heating Time: 4.5-10 hours
- Temperature: 40-65°C
- Heating area: Forefoot / Toes/ Soles of the feet.
- Heating Elements: Far infrared heating elements
- Fit for: Warm feet indoors and outdoors

3.Heated Clothing

(1).Heated Underwear

- Material: Cotton and polyester fabric with cotton liners
- Products Content: 1 x clothes set with switch buttons
1 x lithium battery packs, 1 x charger and instructions
- Heating Area: Knee, back and waist
- Heating Time: 2-5 hours
- Temperature: 38-52°C
- Power Supply: 7.4v/3000mah rechargeable lithium battery packs
- Breathable, quick-drying, elastic thickened, electric , soft.
- Fit for: Skiing, fishing, Jogging, hunting, cycling, hiking motorcycling,running, shoveling snow

(2).Heated jacket

- Material: Polyester
- Size: S-XXXL
- Products Content: 1 x clothes set with switch buttons
1 x lithium battery packs, 1 x charger and instructions
- 3 levels smart control: Red(High), White(Medium),Blue(Low)
- Heating Elements: Far infrared heating elements
- Polymer battery pack: 7.4V / 5200mAh
- Heating Temperature: 45-60 °C
- Heating time: 3-8 hours
- Heating Area: Left chest, right chest and the back

(2).Heated Face Mask

- Materials: Fleece, polyester.
- Color: Black
- Controller: One button 3 levels
- Heating pad: 7.4V 4W
- Max temperature: 55 °C
- Battery pack: 7.4V ,2200MAH
- Charger: 8.4V 1.3A

5.Heated Therapy Products

(1).Heated eyewear

- Material: Breathable fabric
- Size: Free size (Length 37cm, width 13.5cm.)
- Product Content: 1 x heated eyewear, 1 x control cable
1 x 5V,5000mAh power bank, 1 x usb cable.
- Voltage: 5V/USB
- Heating elements: Carbon fiber
- Heating area: Eye,forehead
- Use time: 15-30 minites each time
- 3 Level control: High level: 43-48 °C
Medium level: 40-43 °C
Low level: 38-40 °C
- Function: Relieve eye discomfort/ headache,
good for sleep,dilute the eye wrinkles

SHE01P

(2).Heated shoulder

- Material: Breathable fabric, cartoon
- Voltage: 7.4V
- Size: M
- Heating area: two shoulders and back side
- Use time: 30-60 minites each time.
- Level control: 4 levels control
- Heating temperature: 38-55 °C

SHF01

(3).Heated knee pad

- Material: Breathable fabric, fiber
- Size: Free size (Length 48cm, width 48cm)
- Color: Black red
- Heating elements: Carbon fiber
- Voltage: 7.4V
- Heating area: Knee
- Use time: 30-60 minutes each time.
- Fit people: Old people, knee discomfort, knee joint discomfort, Chills people, Air conditioning blowing more people, need keep warming people.

(4).Heated Waist/ heated belt

- Voltage: 7.4V
- Material: Breathable fabric
- Size: Free size
- Heating area: Waist
- Heating element: Carbon fiber
- Use time: 30-60 minutes each time.
- 3 Level control:
 - High level: 43 - 48°C
 - Medium level: 40 - 43°C
 - Low level: 38 - 40°C
- Fit people: Old people, women, Waist discomfort, body discomfort, chills.

(5).Heated neck pad

- Material: Breathable fabric
- Voltage: 5V
- Watt: 5.9W
- Size: Free size
(Length: 53CM Width: 11cm)
- Heating area: neck
- Use time:
 - 15-30 minutes each time
- 3 Level control:
 - High level: 43-48°C
 - Medium level: 40-43°C
 - Low level: 38-40°C

(6).Heated Scarf

- Voltage: 5V
- Watt: 5.9W
- Material: Fleece
- Size: Free size (Length: 120CM Width: 15cm)
- Heating area: neck
- Use time: 15-30 minites each time.
- 3 level control
- Main function:Relieve neck strain ,dispelling dampness,stable body, make skin color better, relieve body pain, soreness

(7).Heated Hand Warmer

- Voltage: 7.4 V
- Watt: 6 W
- Material: Polyerster Fleece
- Size: Free size
- Heating area: Inner side
- Duration time: 2-8 hours
- 3 level control
- Main function: Portable hand warmer, Storage bags,windproof and waterproof etc

6.Heated Insole and Shoes

(1).Heated insoles

- Material: Safe and environmentally friendly material
- The latest high-efficiency carbon fiber heaters.
- High density, safe lithium-polymer battery.
- Three Level Temperature Regulation.
- Heating Time: 2 -5 hours
- Simply use: Wireless, intuitive remote control for maximised operational comfort.
- Fit for: Hunting, Skiing, Motorbiking, Mountain climbing or Walking etc.
- Cut to fit size: Adjustable to your shoe size, trim the soles for the perfect fit following size guide.

(2).Heated shoes

- Material: Leather
- Size: 37-43
- 3 levels control
- Battery pack: 3.7V, 2000MAH
- Use time: 3-8 hours
- Temperature: 38-50°C
- Fit for: Winter use, outdoor and indoor.

SHSH01B

7.Heated Dog Clothing

- Material: polyester,cotton,fleece
- Size: S - XL
- Heated element: 7.4V ,4W, 1 in 2 heating pad, heating two sides.
- Charger: 8.4V,1.3A quick charger
- Heating temperature and heating time:
 - High level: 4-4.5hours, 42-45°C
 - Medium Level: 4.5-6.0 hours, 38-42°C
 - Low Level: 6-8 hours, 35-38°C
- Feature: Windproof ,waterproof, keep warm, give a warm winter for dogs.

8.Heated Accessories

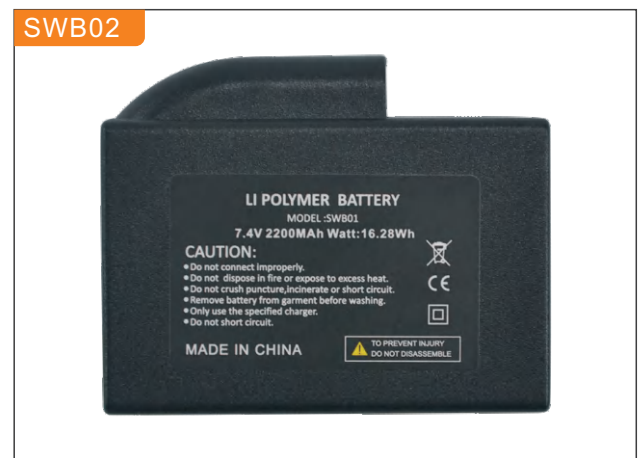

(1).Controller

- Material: silicone material
- 3 levels control
- Input: 3.7V-14.4V
- Max power: 5A.
- The surface, function can be ODM.

(2).Battery

- All use polymer cells.
- 1 year warranty.
- Anti-freeze battery pack.
- Full protection of PCB .

(3).Charger

- 4.2V,8.4V&12.8V charger for rechargeable battery packs Voltage: 100-240V
- Red light is for charging, green light is for no charging or full charged
- Electric current: 1.0-2.0A optional
- Charger plugs: EU, US, UK, AU etc are optional, universal charger available too.

(4).Power Cable

- Transform cable: 12V step down to 8.4V/5V,5V up to 8.4V/12V
- DC cable: Directly connected to power supply, with fuse
- Car charger: Connect directly to car power
- Suitable for motorcycles, cars, etc
