

Test Verification of Conformity

This verification of conformity is based on an evaluation of a sample of the following mentioned product, and technical report and documentation are at the license holder's disposal.

This is to verify that the tested sample is in conformity with all related provisions of harmonized standard EN71 under Toys Directive 2009/48/EC. It is possible to use **CE** marking to demonstrate the compliance with this toys Directive.

NOTE 1: This verification is part of the full test report(s) and should be read in conjunction with it.

NOTE 2: This verification supersedes all previous verifications with the noted Verification/Report number(s) dated before this verification notice. (Delete it when it is not applicable)
