SCS Testing Certification (Group) is a registered entity with the US Food and Drug Administration (FDA), ensuring compliance with FDA requirements. The primary role of SCS Testing Certification (Group) is to assist businesses in meeting U.S. FDA compliance regulations. SCS Testing Certification (Group) issues Certificates of Registration, providing businesses with confirmation that they are fulfilling U.S. FDA registration requirements. However, it's important to note that the U.S. FDA does not issue or recognize these Certificates of Registration. In conclusion, SCS Testing Certification (Group) operates independently and does not have any affiliation with the U.S. Food and Drug Administration (FDA).

Note: The annual registration renewal period is October 1- December 31
